

January 4, 2017

Brent Mettlen
Russellville High School
13600 Rt. C
Russellville, MO 65074

Dear Brent Mettlen,

Enclosed are the guidelines and application for the Septagon Construction Company Academic Scholarship. Our goal for this scholarship is to encourage and aid students who pursue professional, construction-related degrees.

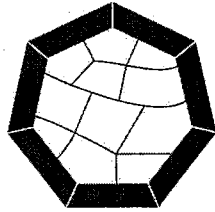

We plan to award at least one five-hundred dollar (\$500) scholarship to a student residing in each of our major office locations, or a minimum of four scholarships each year. Applicants may be graduating high school seniors or current college/university/trade school students already pursuing a degree/certification.

It is our desire to encourage young students to enter our industry at a professional level. High school seniors will be scored equally with college students. Our scholarship is also not automatically renewable, but by applying each year, it is possible for a qualified candidate to receive the scholarship multiple times.

This is an exciting way for Septagon to support our industry and the communities in which we live and work, and we look forward to hearing from you. Please let us know if you have any questions about our scholarship program, and thank you again for assisting us in finding the best possible candidates.

Sincerely,

Kristine Fuemmeler
Marketing Coordinator

SEPTAGON CONSTRUCTION

Academic Scholarship – Application & Guidelines

The Shareholders and Employees of Septagon Construction Company work each day to uphold a mission statement that includes “leadership in our industry, and service to our community.” Our goal for this \$500 scholarship is to encourage and aid students, who have demonstrated leadership and service, in their pursuit of a professional construction-related degree.

The following guidelines will govern our scholarship program:

- The recipient will be a graduating high school senior, an enrolled, full-time student at a state-accredited institution pursuing a degree or certification in one of the following areas of study:
 - Structural Engineering
 - Civil Engineering
 - Architecture
 - Architectural Engineering
 - Construction Management
 - Construction Technology
 - construction-related skilled trade
- Applications must include one written recommendation from an instructor and one written recommendation from an employer or school counselor/advisor. Submit only two written recommendations.
- Applications must include a brief (150-200 word) typed statement describing educational and professional goals.
- Applicant must be a U.S. citizen. Preferred consideration will be given to applicants living within Septagon’s business and employment areas.
- Application materials must be delivered or postmarked by 5 p.m., March 24, 2017. Applications postmarked after the deadline will not be considered.
- Scholarship recipients will be notified by mail before May 1.
- Scholarship payments will be sent directly to the university/college to be applied to the student’s account. Payments will be made by Aug. 15.

Send completed application material to:
